Folly Beach STR Ordinance 27-22 Postponed

The ordinance has many new concepts that must be integrated into the existing STR regulations. In addition, a few items have to be aligned with state agency guidelines. All of this will take a few more weeks to complete.

Bottom Line - 27-22 should be ready for its 2nd reading in August.

Save Folly's Future To City Council

We need an advisory referendum to determine if most residents support or oppose a limit on "investment STRs".

Save Folly's Future Supports Mayor's STR Plan

Especially

A city wide limit on "investment STRs"

Advisory Referendum

On the Mayor's Cap System

is

The Best way to settle a Community wide debate

With One Simple Question:

**Do you support a citywide limit on
"investment STRs"?**

(non-owner occupied STR = investment STR = 6% STR)
