**Mission: Reverse Island's Population Decline**

**STR Ordinance # 003-23 Passed 7 - 0 (First Reading)**

## **Bottom Line:**

- STR Ordinance 003-23 was passed with no changes. (First Reading)
- 003-23 was technical in nature and designed to better align the Referendum's language with the City's other STR regulations and also with existing state and county regulations.
- The Referendum's goals and objectives remain intact.

## **City's STR comment portal is open**

- The city is asking that all STR comments, ideas or suggestions of any sort be sent to the central portal. The info will be compiled and sent to council members once a week.
