**Posted: Jan 8<sup>th</sup> (Around Noon)**

**“Out of an abundance of caution the City Council meeting advertised for tomorrow has been rescheduled to Wednesday, January 10th, at 5:45 PM due to the approaching storm. The forecast for tomorrow calls for high winds and heavy rain bands throughout the afternoon and evening. Given the predicted tides, there is a possibility of increased flooding and dangerous travel conditions Take this time to review your safety plan and make sure you are prepared.”**

**Have you Considered Public Service ?**

**Interested in running for City Council ?**

**Not Sure how it all works ?**

**Maybe SFF can Help !**
