March 12th Council Meeting - 7pm
Only One Minor STR Issue on Agenda

No Work Session on March 12th

Note: A Minor STR Policy Change Announcement

The ISTR License grace period for renewals approved last month as part of 001-24 is 10 days. By agreement of council in February, this 10 day grace period will be retro-active for 2023 renewals. This minor policy change is expected to add **one** additional ISTR license in 2024.

City of Folly Beach

Date: March 12th, 2024

Re: Policy Statement on STR Grace Period for 2023 Licenses.

Mayor and Council,

At the last meeting Council adopted Ordinance 001-24 which created a ten day grace period for annual licenses renewals. Council also agreed to create a policy for 2023 license applications to be approved under limited circumstances. The official policy statement is below. This will create one additional ISTR.

GRACE PERIOD FOR 2023 RENEWALS

On 2/20/24 City Council adopted revisions to Chapter 117 of the Code of Ordinances which included a ten business day grace period for future renewals of ISTR licenses. The grace period applies for all license renewals beginning in 2024. Council also stated a desire that the grace period be applied retroactively for certain license applications made in the 2023 business license year. Therefore, the following policy is adopted:

An owner who held a valid 2022 STR license and who submitted an application for an ISTR license within 10 business days of the 2023 due date; whose application for said license was denied for being a late renewal; who appealed the decision to the city's hearing officer; and whose appeal was denied may apply for a 2024 ISTR license for the previously licensed property notwithstanding the cap on ISTR licenses.

Aaron Pope, AICP
City Administrator

Folly Beach Special Election
