City Council Extends Waitlist Deadline Until Sept 30th

City Council Aug 30th Special Meeting Report

Skip Fink proposed, seconded by Chris Bizzell, to extend the Phase I Waitlist by 45 days, but was changed to 30 days after supportive comments from D.J. Rich. The mayor suggested a date certain of Sept 30th which was agreed to. The vote was taken and passed 5-1 (one council member was absent). The meeting lasted about 10 minutes and is on YouTube.

ISTR Waitlist Info

(Text below taken directly from City's website)

“Phase 1: Applications accepted from August 1 to September 30, 2024. Applications received after September 30, 2024 will be assigned in Phase 2.

Applicants must provide the date of property acquisition and a copy of the deed. If owned by LLC/trust/spouse must provide proof that owner is beneficiary.

Applicants must have been the owner of the record on 2/7/23.

Applicants may apply for multiple properties, but only 1 license will be issued per owner.

All licenses are awarded in order of property acquisition (from earliest to latest).”

Waitlist Process:

“All applications must be submitted online.

Phase One licenses are awarded in order of property acquisition.

Phase Two licenses are awarded in order of application.

The owner must apply for a license within 60 days of being notified

Loss of waitlist status:

If convicted of renting any property without a license, waitlist status will be revoked.

Waitlist status will be lost upon sale of the property.

Waitlist status is lost upon failure to apply within 60 days of being notified.”

Additional Waitlist Info

- You will need a digital copy of your deed.
(It's easy to digitize your original deed; if lost, you can use an online service to get a digital duplicate.)
- Application must be filed online on the City's website.
